Subject: EPA INTERNAL DELIBERATIVE - UPDATE from WDNR Drinking Water Program Director: Discuss Juneau and Wood County Data of 104 private homes sent to EPA

EPA INTERNAL DELIBERATIVE

Hello everyone,

I just spoke with Steve Elmore, the Wisconsin Drinking Water Program Director, about the Juneau and Wood County Nitrate Data and WDNR's proposed next steps. He states that he is in communication with Jim Zellmer and the WDNR CAFO program folks and Steve has been asked to attend the Thursday afternoon meeting between Zellmer and Payne (with WD). Steve was also aware of the available well data as well as the July 17th educational session. His ground water chief has been in contact with the Juneau County Health Department and has made a visit to the county.
